

Server Application to Host IEEE Copyrighted Content

Please fill out the following information. All fields must be completed in order to be approved for hosting IEEE content. Applications will be reviewed and approved by the IEEE Publication Services and Products Board (PSPB). Server representatives will be notified if the application is approved. All decisions made by the PSPB are considered final.

Server Information

Server Name	
URL	
Date established	
Representative Name	
Phone	
E-Mail Address	

Status

Identify the appropriate status of the server (select all that apply)

- | | | |
|---|-------------------------------------|-----------------------------------|
| <input type="checkbox"/> Commercial | <input type="checkbox"/> Non-Profit | <input type="checkbox"/> Industry |
| <input type="checkbox"/> Government | <input type="checkbox"/> University | |
| <input type="checkbox"/> Open to Public | <input type="checkbox"/> Private | |

Description of Server

Provide a brief, but detailed, summary of the server. **The description must include a mission statement and explain the benefits it offers to the scientific/engineering community.**

--

Topics

List all topics and subject areas of papers posted on the server.

--

User Tracking

Does the server include user tracking features (select all that apply)

- ☐ User login ☐ Download count ☐ Other
☐ Page view tracking ☐ Search engine crawling

Agreement

By submitting this application, I affirm that the facts set forth in it are true and complete. I understand that if the server is approved for use by IEEE authors, any false statements, omissions, or other misrepresentations made on this application may result in rejection of the server's approved status and all posted IEEE copyrighted papers must be removed from the server immediately.
