

THE INSTITUTE OF ELECTRICAL AND ELECTRONICS ENGINEERS, INC.

NOMINATION FORM FOR IEEE JAMES H. MULLIGAN, JR. EDUCATION MEDAL

The IEEE James H. Mulligan, Jr. Education Medal, for a career of outstanding contributions to education in the fields of interest of IEEE.
To an individual. (*See Nominator Guidelines for Eligibility Requirements.*)

1. Name
2. IEEE Member: Yes ___ No
IEEE Grade, Year
IEEE Member #
Email
3. Year of Birth
4. Professional Affiliation and Title
5. Business Address
6. Home Address
7. Education beyond twelfth grade. Honorary degrees denoted (H).

<u>Institution/Location</u>	<u>Degree</u>	<u>Year</u>	<u>Honors</u>
-----------------------------	---------------	-------------	---------------

8. Endorsers, Names, Addresses, and Email. Endorsers should be familiar with the nominee's achievements and should state specific achievements that qualify the candidate for this award. Endorsers should also include a statement indicating how long they have known the candidate and in what capacity. (*Minimum of three supporting letters required; maximum of five permitted. No more than five letters will be reviewed by the Committee. Letters may accompany nomination or be submitted directly to IEEE.*)

Do not exceed space provided. Attached pages are not permitted. Type no smaller than 10 point.

9. Proposed Citation. *(No more than 25 words.)*

10. Principal Employment: Year, Name of Company; Title; Brief, Concise Description of Responsibility.

11. Cite examples of recognition of excellence in teaching and ability to inspire students (examples might include current and former students who have distinguished themselves, recognition by colleagues, related awards.)

Do not exceed space provided. Attached pages are not permitted. Type no smaller than 10 point.

12. Achievements pertinent to the qualifications for the IEEE Education Medal. (*Criteria considered by the Evaluation Committee shall include: record of candidate's contributions to innovations in curricula, teaching methodology, and other leadership activities within the candidate's own institution. The quality of the nomination is also considered.*)
13. Record of leadership in electrical engineering education through: (a) writing of textbooks and other course material; (b) authorship of papers and articles on engineering education; (c) related teaching activities. Under each subheading, please list the most significant contributions in priority order.

Do not exceed space provided. Attached pages are not permitted. Type no smaller than 10 point.

14. Record of major contributions to the advancement of technology in electrical engineering through: (a) research activities; (b) monographs and books; (c) technical papers and articles; (d) patents. Under each subheading, please list the most significant contributions in priority order.

15. Record of participation in the activities of professional societies as related to: (a) education; (b) publications; and (c) other activities. Begin with IEEE.

Do not exceed space provided. Attached pages are not permitted. Type no smaller than 10 point.
