8. Endorsers, Names, Addresses, and Email. Endorsers should be familiar with the nominee's achievements and should state specific achievements that qualify the candidate for this award. Endorsers should also include a statement indicating how long they have known the candidate and in what capacity. *(Minimum of three supporting letters required; maximum of five permitted. No more than five letters will be reviewed by the Committee. Letters may accompany nomination or be submitted directly to IEEE.)*

9. Proposed Citation. *(No more than 25 words.)*

10. Principal Employment: Year, Name of Company; Title; Brief, Concise Description of Responsibility.

11. Principal publications and/or patents pertinent to the achievement. (Prefer items of sole responsibility, otherwise give joint names.)

12. Achievements pertinent to the qualifications for the IEEE Photonics Award. (*Criteria considered by the Evaluation Committee shall include: outstanding discovery, significant scientific or technological advancement or important invention, and impact on field. The quality of the nomination is also considered.*)
