To better serve our members and supplement member dues, your postal mailing address is made available to carefully selected organizations, to provide you with information on technical services, continuing education, and conferences. Your email address is not rented by IEEE. Please check box only if you do not want to receive these postal mailings.

2 Attestation

I have graduated from a three-to-five-year academic program with a university-level degree.

Yes No

This program falls within:

- Engineering
- Computer Sciences and Information Technologies
- Physical Sciences
- Biological and Medical Sciences
- Mathematics
- Technical Communications, Education, Management, Law and Policy
- Other (please specify): _____

This academic institution or program is accredited in the country where the institution is located. Yes No Do not know

I have _____ number of years of professional experience in teaching, creating, developing, practicing, or managing within the following field:

- Engineering
- Computer Sciences and Information Technologies
- Physical Sciences
- Biological and Medical Sciences
- Mathematics
- Technical Communications, Education, Management, Law and Policy
- Other (please specify): _____

3 Please Tell Us About Yourself

Select the numbered option that best describes yourself. This information is used by IEEE magazines to verify their annual circulation. Please enter numbered selections in the boxes provided.

A. Primary line of business

1. Computers
2. Computer peripheral equipment
3. Software
4. Office and business machines
5. Test, measurement and instrumentation equipment
6. Communications systems and equipment
7. Navigation and guidance systems and equipment
8. Consumer electronics/appliances
9. Industrial equipment, controls and systems
10. ICs and microprocessors
11. Semiconductors, components, sub-assemblies, materials and supplies
12. Aircraft, missiles, space and ground support equipment
13. Oceanography and support equipment
14. Medical electronic equipment
15. OEM incorporating electronics in their end product (not elsewhere classified)
16. Independent and university research, test and design laboratories and consultants (not connected with a mfg. co.)
17. Government agencies and armed forces
18. Companies using and/or incorporating any electronic products in their manufacturing, processing, research or development activities
19. Telecommunications services, telephone (including cellular)
20. Broadcast services (TV, cable, radio)
21. Transportation services (airline, railroad, etc.)
22. Computer and communications and data processing services
23. Power production, generation, transmission and distribution
24. Other commercial users of electrical, electronic equipment and services (not elsewhere classified)
25. Distributor (reseller, wholesaler, retailer)
26. University, college/other educational institutions, libraries
27. Retired
28. Other _____
