

IEEE Journals Library Plus

Instant Access to the Most Current Research for Your Business

IEEE Journals Library Plus

Subscribe to IEEE Journals Library Plus to receive access to the most current technology information available:

- Unlimited, full-text access to all IEEE journal and magazine articles published in the last 2 years
 - Rolling backfile of all current year articles plus previous 2 years
- Plus 500 document downloads to access any IEEE conference proceedings or IEEE archival journal articles older than 2 years*
 - Enables rapid collaboration with an online file cabinet
- Robust search tools powered by the intuitive IEEE *Xplore*[®] digital library

*IET content, standards and educational courses not included. All document downloads must be used within one year or forfeited

Quality. Depth. Value. Essential Information from IEEE.

IEEE publications provide quality, depth and value to your engineering and computing collection. IEEE online collections deliver:

- IEEE periodicals and conference proceedings that define the field—the content your researchers need
- Research that is cited in patents more than any other publisher
- The top cited journals in the field according to Thomson ISI
- Over 1.7 million documents

Get instant, full-text access to the research you need directly to your desktop with a subscription to the IEEE Journals Library Plus.

“The technical details and clarity of the articles are beyond anything I’ve seen available elsewhere.”

IEEE Journals Library Plus Provides Unequaled Value

- **All Current IEEE Journals & Magazines**
 - A US\$90,000 value to subscribe to all IEEE journals
- **500 Conference or Archival Journal Article Downloads**
 - A US\$17,000 value at US\$35 per individual article
- **Annual Subscription Price: US\$24,995**—A US\$107,000 value
 - Plus the option to replenish article downloads at any time
 - 100 articles at US\$12/pdf—US\$1,200
 - 500 articles at US\$11/pdf—US\$5,500
 - 1,000 articles at US\$10/pdf—US\$10,000

The Latest Research in a Wide Range of Technologies:

- Aerospace and Defense
- Computer Hardware and Software
- Electronics
- Medical Devices
- Nanotechnology
- Optics
- Power Engineering
- Robotics
- Semiconductors
- Telecommunications
- Wireless Technology and more!

Subscribe to the IEEE Journals Library Plus

- Instant, full-text PDF access to the leading journals and conferences research that drive today's technology patents
- The most highly cited journals in the field
- Access to more than 1.7 million documents in IEEE *Xplore*
- Affordable access to the same information used by today's most innovative companies and your top competitors
- Collaboration with your entire research team by downloading to an online file cabinet
- Easier budget planning with the knowledge that you have unlimited access to all IEEE current journal articles

Patent References from the Top 25 Patenting Organizations to Top Publishers

New patents cite IEEE-published science more often than any other scholarly and commercial publisher.*

Patent references to IEEE papers have increased 267 percent in the last decade.

*Source: 1790 Analytics, LLC. Copyright 2007.

Publishers compiled from all journals referenced 100+ times from organizations in 2006 US Patent Office Filings.

“Through its sponsorship of highly regarded technical conferences, topical meetings, outstanding peer-reviewed scientific publications, industry-shaping standardization committees and dedication to all of its members, IEEE has become the leading organization devoted to the advancement of technology and support of the global engineering community.”

Dr. Marc Verdiell
Intel Fellow, Director, Optical
Technology Office Intel/OPD

Who Relies on IEEE Online Information?*

- The top 3 Telecom Companies
- The top 3 Automotive Companies
- Japan's Big Five Electronics Companies
- The #1 Company in Computer Software
- 6 of the top 7 Computer Companies
- 8 of the top 10 Aerospace and Defense Companies
- 8 of the top 10 Networking & Communication Companies
- 8 of the top 10 Semiconductor & Electronic Component Companies

*Based on 2007 Fortune Global 1,000 Ranking
