

WIE Session at the 2008 IEEE NSS/MIC/RTSD in Dresden, Germany

**Thursday, 23 October 2008, 19:00 - 21:00
Maritim Hotel and International Congress Center Dresden**

Theme:

“New challenges and opportunities for women scientists and engineers in the world of the Internet Era”

This event will be open to all Conference attendees and others who are interested to join. It will provide the opportunity for exchanging ideas and information on issues of importance not only to the society of women in science and engineering but of importance to the general public as well.

Additional information is available on the conference website at: www.nss-mic.org/2008 under “Special Events”.
