

Appendix 3 – Conference Materials

Multiple sponsors of a conference may require the use of several organizations' logos. The controlling organization may set the design for printed and electronic materials, but the IEEE Master Brand's minimum size must be maintained. (Please see more detail in the Standards.)

This page and the and following show examples of conference materials using multiple logos:

- Digest of conference papers on CD-ROM
- Advance program – large format
- Digest of Technical Papers – large format
- Proceedings
- Digest of Technical Papers – vertical format
- Advance program – vertical format
