**IEEE POWER & ENERGY SOCIETY ENERGY DEVELOPMENT AND POWER
GENERATION COMMITTEE AWARDS**

CERTIFICATES OF APPRECIATION

August 29, 2008

The following Members of the International Practices Subcommittee were awarded a Certificate of Appreciation by the IEEE Power & Energy Society at the 08GM in Pittsburgh, PA for the Year 2008. Citations, recipients, and photographs of the recipients and their awards are reproduced below. They are:

Zbigniew Antoni Styczynski in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Network Security Management (NSM) focused on Dispersed Generation at the 2008 General Meeting in Pittsburgh, PA in July 2008

Tom Hammons, Chair International Practices SC (left), and Zbigniew Antoni Styczynski, Recipient (right)

Nikolai I. Voropai in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Chairing Panel Session on Blackouts: Remedial Measures and Restoration Practices – Asian and Australian Experience at the 2008 General Meeting in Pittsburgh, PA in July 2008

Nikolai I. Voropai, Recipient (left) and Tom Hammons, Chair International Practices SC (right)

Luiz Augusto Barroso in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing a Panel Session on Hydro Developments, Generation Options and the Environment in Latin America at the 2008 General Meeting in Pittsburgh, PA in July 2008

Tom Hammons, Chair International Practices SC (left), and Luiz A. Barroso, Recipient (right)

Bai Blyden in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Charing Panel Session on Electricity Challenges for Africa Towards 2010 and Beyond at the 2008 General Meeting in Pittsburgh, PA in July 2008

Bai Blyden, Recipient

Pathmanathan Naidoo in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Charing Panel Session on Electricity Challenges for Africa Towards 2010 and Beyond at the 2008 General Meeting in Pittsburgh, PA in July 2008

Pathmanathan Naidoo, Recipient

Loi Lei Lai in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and Chairing Panel Sessions on International Practices in Distributed Generation *and* International Practices for Methods and Techniques for Energy Loss Minimization Worldwide at the 2008 General Meeting in Pittsburgh, PA in July 2008

Tom Hammons, Chair International Practices SC (left), and Loi Lei Lai, Recipient (right)

Antje Orths in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Chairing Panel Session on European Electricity Grids: Challenges, Methods and Results at the 2008 General Meeting in Pittsburgh, PA in July 2008

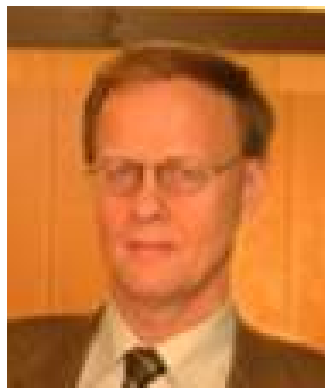

Tom Hammons, Chair International Practices SC (left), and Antje Orths, Recipient (right)

Raymond Johnson in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Chairing Panel Session on Impact of Globalization of the Natural Gas Market on Natural Gas Prices in Power Generation and Energy Development at the 2008 General Meeting in Pittsburgh, PA in July 2008

Raymond Johnson, Recipient

Árni Gunnarsson in Recognition of Distinguished Service to the Energy Development and Power Generation Committee and for Co-Organising and a Chairing Panel Session on Developments in Geothermal and Hydro Power in Iceland, Europe and Worldwide at the 2008 General Meeting in Pittsburgh, PA in July 2008.

Árni Gunnarsson, Recipient
