State of Colorado

Attached is a copy of the Sales Tax Exemption Certificate for the State of Colorado. Please make copies for use and keep one as a master copy. To obtain exemption from sales taxes administered by the state, **ALL** of the following must be met:

1) Payment for the goods and services must be made directly from the IEEE Unit's funds. (e.g. IEEE conference check or IEEE P-Card, not by an individual who gets reimbursed by IEEE)

2) The items or services purchased are used in conjunction with the normal charitable activities of IEEE.

3) The IEEE unit is **NOT** reimbursed for purchases by means of direct payment, enrollment fees, mandatory donations, registration fees, purchase of a ticket, or other fees designed to cover the cost of the purchase. For example, when a conference charges a registration fee or enrollment fee, the sales tax exemption does not apply.

There are more than 70 Home Rule cities in Colorado that administer taxes on the local level, each having their own requirements. Most apply the 3 rules listed above in determining exemption. Exemption must be applied for on an individual basis for each city. IEEE has received exemption from locally administered taxes in the City of Boulder but was denied exemption in the cities of Colorado Springs and Denver. Please contact the IEEE Tax Department and we will apply for other city exemptions as needed.

To obtain exemption from tax on goods and services that do qualify, this form must be completed and given to the vendor at the time of purchase or at the time services are rendered. The vendor name and address must be filled in at the top of the certificate. The name of the IEEE Society/Council/Section making the qualifying purchase should be added next to IEEE under "Name of Firm (Buyer)." A description of the products to be purchased must be added. The certificate must be signed by an authorized IEEE person. For an IEEE Section/Region/Society/Chapter, this can be an officer of the geographic unit. For IEEE staff, this can be a person with the appropriate expenditure authorization approval for the purchase.

Sales tax should be charged on all retail sales of tangible personal property, including day-to-day equipment rentals and leases. Some services, such as cable television, telephone, gas, and electric, are also taxable.

Use tax is the reciprocal of sales tax. Use tax applies to all materials and equipment purchased for use in your business. This equipment and materials are not for resale and must not have had any other city's tax applied at the time of purchase. Verify the tax you pay to any vendor when purchasing materials and equipment to assure you are not over paying your taxes.

Admissions tax is usually charged for the admission into an event, such as a nightclub or theater.

Accommodations tax is charged for the use of a hotel/motel room for thirty (30) days or less.

Tax returns are due on the 20th of each month following your report period. If the 20th falls on a city holiday or on a weekend, the following business day is the due date. A tax return must be filed, even if taxes are not due.
