## Transportation Management Solutions

Online & Mobile Booking

The Gem Worldwide team is grateful for the chance to provide transportation services to IEEE travelers. Services are available 24/7/365, with quick responses to [calls](#) and [email](#) inquiries. To streamline tasks, we recommend using Gem's website portal and mobile app.

- Creating reservations
- Making trip changes
- Confirming active bookings
- Canceling active trips
- Tracking your chauffeurs
- Adding payment methods
- Updating profile information
- Accessing historical bookings
- Downloading receipts
- Managing multiple travelers with a custom setup: [Click for more info](#)
- & More!

**How it works?** For first-time travelers, you can either create an account on Gem's mobile app or website portal. If you've used us before, there's a good chance you can connect to the existing profile in Gem's database, utilizing the forgot password function – **If you have questions or issues: Email - [websupport@gemlimo.com](mailto:websupport@gemlimo.com)**

**Your IEEE Email domain (@ieee.org) will connect you to the corporate account!**
