# CERTIFICATES PROGRAM

Providing credentials to support your training initiatives.

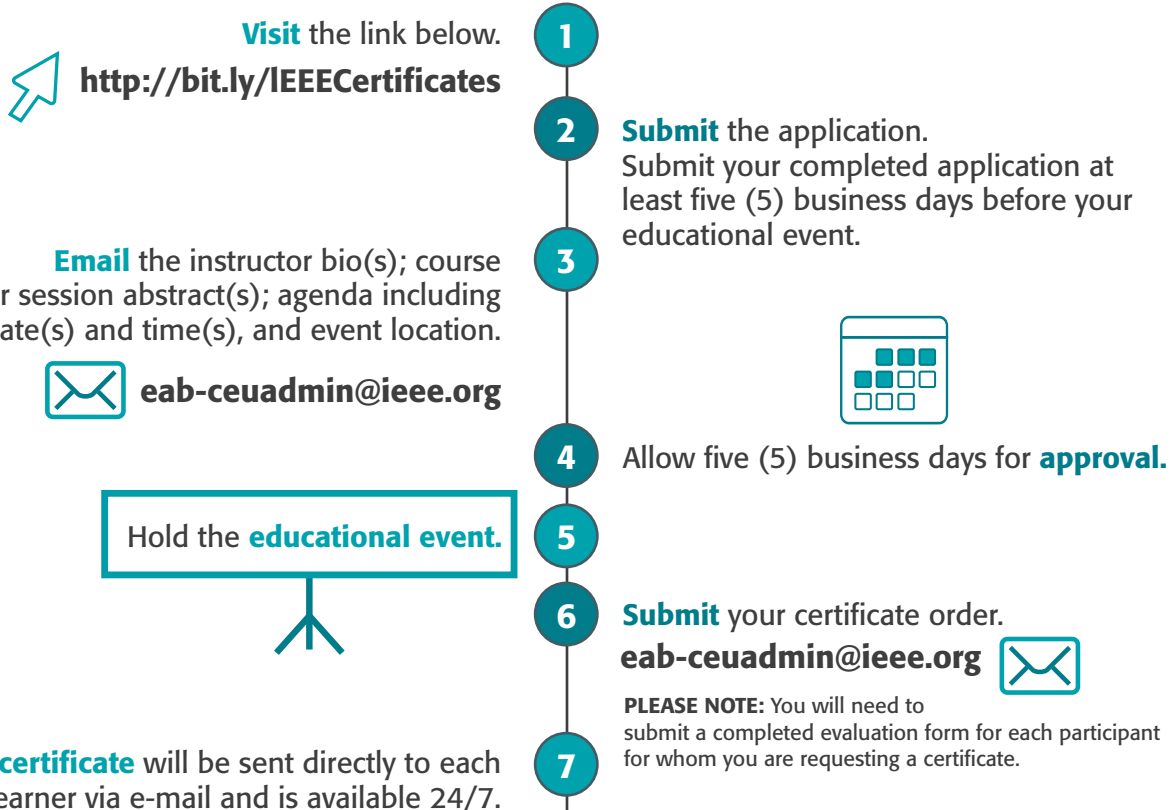

## Your Challenge

Technology is evolving rapidly and engineers need to keep their skills up-to-date in order to help their organizations stay competitive. Additionally, many engineers need continuing education units (CEUs) and/or professional development hours (PDHs) to maintain their engineering licenses. **How do you show your team that you are invested in their growth and advancement?**

## Our Solution

Use the IEEE Certificates Program to credential your training programs, conferences, and other educational events.

## How do you get IEEE Certificates for your Training Programs?
