

How do I enroll in a course on the IEEE Learning Network (ILN)?

Overview

To take a course on ILN, you will need to either purchase access individually or you may have access through your Institutional subscription.

If your Institution subscribes to the IEEE eLearning Library *AND* has chosen to receive access through ILN, you will not be required to purchase courses, however you will need to enroll to launch the course.

Purchasing Courses on ILN as an Individual

Navigate to the *Course Details* page of the course you wish to purchase and click the **Add to Cart** button.

The screenshot shows the 'Cloud Security' course page. On the right side, there is a price table:

IEEE member	\$95.00
IEEE student member	\$95.00
Non-IEEE member	\$140.00

Below the table is an 'Add to Cart' button. The course description on the left mentions that cloud computing is causing a transformational shift and discusses security challenges. The instructor is Sean Oriyano.

Course description page in ILN

A messages displays confirming that the course has been added to your cart and offers the option to **Proceed to Checkout** or continue to browse.

The screenshot shows a confirmation message: 'You have successfully added this item to your cart'. Below the message is a 'Proceed to checkout' button. The background shows the same 'Cloud Security' course details page as in the previous screenshot.

Course successfully added to cart

To complete the purchase process, you will be prompted to sign in to your IEEE Account. A **Create Account** link is available if this is your first purchase.

The screenshot shows the 'IEEE CHECKOUT' page. The 'My Cart' section contains the following items:

Description	Quantity	Price
Cloud Security Format: Electronic	1	US \$ 140.00

The subtotal is US\$140.00. There is a 'Proceed to Checkout' button. A sidebar on the right promotes 'IEEE Societies' and 'IEEE Members enjoy discounts on insurance, technology, travel, and services'.

My Cart check out page

Once the transaction is complete, you will be directed back to ILN.

To begin the course:

1. Click on the title of the course from the **My Courses** section of the *ILN* home page.
2. Click the **Open Item** button to launch the course.

Enroll in a Course on ILN through your Institutional Subscription

If your Institution subscribes to the IEEE eLearning Library and elects to provide access through ILN, you will not have to purchase courses included in your institution's subscription. Once you have successfully signed in to ILN, you will see an **Included in My Institution's Subscription** section on the *ILN* home page.

The screenshot shows a section titled 'Included In My Institution's Subscription'. It features a 'Find More Courses' button and a table with the following content:

Title	Action
eLearning Library Package Bundle	View

At the bottom, there is a 'View All (1)' button.

Included in My Institution's Subscription section

To view the list of available courses, click the **View** button.
