How do I log into the IEEE Learning Network (ILN) Volunteer Training site?

Overview
Once you have been assigned to complete required volunteer training, you will have access to the IEEE Learning Network Volunteer Training site. This User Guide assumes you have already received your assignment via email.

Logging into ILN Volunteer Training
To log into the ILN Volunteer Training Home page:
1. Open your browser and navigate to: https://volunteers.iln.ieee.org.
2. Click the Log In link located below the IEEE logo.
3. In the Sign In box, enter your IEEE Account email address and password.
4. Click the Sign In button.
You will then be brought to your ILN Volunteer Training Home page and can begin taking your course assignments. Look for your volunteer courses in the “My Volunteer Courses” portlet.
