Making a deposit
*USD $ account

Deposits of checks and cash can be made in person at any local Wells Fargo location. If there is not a branch near you, we provide postage paid Bank by Mail envelopes. Please do not mail cash!! We suggest purchasing a money order for cash deposits that will be mailed. In either case you must use the preprinted deposit ticket provided for all deposits. DO NOT use the account number printed at the bottom of your checks. The account number on your deposit ticket differs from the account number on the bottom of your checks. Using the correct supplies and account number is important to insure your account is properly credited.
